Our latest platoon is a group of **Army Recon/Snipers** are deployed in Afghanistan and they do not get into their forward operating base that often as they are out on missions. We have just started supporting this new platoon and need money to help cover postage and supplies. In this case they have provided us with the names of the soldiers. They most want communication, especially the single soldiers. 30% of all deployed soldiers receive no contact from home. The best thing you can do for these soldiers is to write them and let them know that you support them. Unfortunately we have already one KIA and one wounded from this platoon.

Please address letters to the individuals. If you are a single woman write only to single men please. Families or classrooms can write also. Put your return address and if the soldier wants to respond they will. Often we receive sporadic communications from these front line troops so be patient for a response. **They are asking for letters of support, reading material, power converters, balls for Afghan children (soccer, rubber), bedding (twin sheets), Baby/Adult wipes, hand/toe warmers and cold weather gear. We are not allowed to give out the address of the unit or their ranks. Your initial letters will be mailed in a package or individually by the AAP committee.**
